

RESOLUTION OF THE TOWN COUNCIL  
OF THE TOWN OF CARY, NORTH CAROLINA

WHEREAS, public streets within Cary are owned and maintained by either the North Carolina Department of Transportation (“NCDOT”) or by the Town; and

WHEREAS, generally, NCDOT owns and maintains major public thoroughfares that carry regional traffic, while Cary owns and maintains public streets that carry local traffic; and

WHEREAS, from time to time, NCDOT and the Town review the Town’s roadway network to determine if there are public street corridors which, due to their size and nature, would be more appropriately owned and maintained by the other entity; and

WHEREAS, the NCDOT has agreed to take ownership and maintenance of several major thoroughfares currently owned and maintained by the Town of Cary; and

WHEREAS, the Town of Cary has agreed to take ownership and maintenance of several local and collector streets currently owned and maintained by the NCDOT.

NOW, THEREFORE, BE IT RESOLVED, that the Town Council of the Town of Cary, North Carolina, is requesting the North Carolina Department of Transportation (NCDOT) to transfer ownership and maintenance of the following streets to Cary:

- **Turner Creek Road (SR1609)** from NC 55 HWY to end of State maintenance east of the western entrance to Turner Creek Elementary School, approximate distance of 0.21 miles.
- **Piney Plains Road (SR1423)** from Walnut Street (SR1313) to Dillard Drive (SR1349), approximate distance of 0.46 miles.
- **Old Raleigh Road (SR1435)** from western intersection with Auto Park Boulevard to Gregson Drive (SR1435), approximate distance of 0.63 miles.
- **Gregson Drive (SR1435)** from US-64 to Old Raleigh Road (SR1435), approximate distance of 0.06 miles.

And, in exchange, the Town is requesting NCDOT to add the following streets to the State Highway System for ownership and maintenance by NCDOT:

- **Morrisville Parkway** from NC 55 HWY to the eastern end of the construction of Morrisville Parkway Interchange Project (U-5315), approximate distance of 0.75 miles.
- **Morrisville Parkway** from the western end of construction of Morrisville Parkway Interchange Project (U-5315) to Green Level Church Road (SR1625), approximate distance of 0.32 miles.

- **NW Cary Parkway** from Evans Road (SR1653) to N. Harrison Avenue (SR1652), approximate distance of 1.45 miles.

Adopted this the \_\_\_\_ day of \_\_\_\_\_, 2019.
